Reply Comment Date: June 17, 2013

On April 12, 2013, Laurel Highland Telephone Company (LHTC) and Yukon-Waltz Telephone Company (YWTC) (the Petitioners) filed a petition for waiver of section 51.917(b)(4) of the Commission's rules.¹ Specifically, the Petitioners seek a limited waiver "to adjust 2011 interstate switched access revenue requirements to reflect the actual revenue requirements...instead of the average schedule settlements received during a portion of 2011."² The Petitioners state that the companies "elected to base settlements with the NECA pools on actual costs instead of average schedule formulas"³ effective on October 1, 2011. They contend that the requested waiver is appropriate because "the 2011 frozen interstate switched access revenue requirement reflects average schedule settlements" and that basing their recovery on 2011 average schedule settlements rather than the companies' costs would "present an inequity to the [c]ompanies."⁴
